Cinecittà, city of cinema, is where all the great Italian directors made their films. Daniel (who also composed *Evit Gabriel*) loves Italian culture and the films of Federico Fellini and composer Nino Rota. His waltz appears on *Menage à Quatre* with the band *Ad Vielle Que Pourra*. The tune is dedicated to Franco-Italian hurdy-gurdyist Pierre Imbert. Daniel Thonon, 333 rue Principale, Farnham, Quebec, Canada J2N 1L5. daniel@danielthonon.com.
