How did you hear about the Young Player Award?	
Other documentation – 1) Young player essay: Tell us about yourself. What free-reed instrument do you play? How did you get interested in playing that instrument? How long have you been playing? Do you take lessons from a teacher, or are you learning in some other way? What kind(s) of music do you play or would like to be able to play? What do you hope to get out of attending the NESI weekend, if you are selected? Feel free to add any other information that will help us understand you as a musician. 2) A brief written recommendation: from the young player's teacher or another adult who is familiar with his/her playing and can tell us about his/her interest and commitment. Proficiency is not a determining factor; commitment to becoming a better player is. A serious beginner can win this award.

All applications will be reviewed by an individual or committee comprised of or appointed by the NESI organizers. One applicant will be selected and notified no later than July 5 of the current year. The award winner must confirm his/her intention to accept the award by July 31, or another winner will be selected.

The award is given only once to the same person, but winners will be eligible for a 50% reduction in the cost of our least expensive two-person accommodation for the next three consecutive NESI events. Eligibility for that discount period ends with the awardee's 26th birthday. If the winner is under the age of 18 during any or all of those three events, the same discount will be provided to the required accompanying adult.
